Corporate Profile Q4 2024

An aerial view of a modern city skyline, likely Perth, Australia. The image shows several prominent skyscrapers and modern buildings. One building on the left has a curved facade and is labeled 'THE RUIZ-CARLTON'. Another building in the center has a glass facade and is labeled 'LAVAN LAVAN'. To the right, there are buildings with logos for 'ICBC', 'Citibank', and 'KordaMentha'. The foreground is filled with lush green trees, and a river is visible on the left side. From the CEO

It's undoubtedly a challenging time for our industry. Labour shortages, cost of materials and economic uncertainty are putting pressure on contractors and our supply chain.

However, Multiplex has been riding the waves in our industry for more than 60 years and with any challenge comes an opportunity.

Across the board we are seeing a flight to quality with good clients seeing us as a safe pair of hands to deliver their projects on time, on budget and on carbon. We are well diversified across our global workbook and have a strong pipeline of quality projects in all regions.

Driven by our strategy for impact and materiality, we are continuing to create value across the full spectrum of ESG and lead the industry on important topics like Safety and Diversity and Inclusion with clear vision and action.

We are embracing the opportunity to work with our clients, supply chain, communities and industry to deliver exceptional projects and fulfil our purpose, to construct a better future.
